

Experience the value of Microsoft Surface devices for your organization

Microsoft Surface CIE Strategy Briefing

Join us in-person for this 4-hour immersive workshop experience that will guide you, and up to fifteen of your colleagues, through an authentic story about a respected fitness company, Northwind, making the shift from commercial gyms to home gyms.

Your team will get hands on experience with devices such as the Surface Pro 9, Surface Laptop 5, Surface Pro X, Surface Laptop Go 2, Surface Go 3 and Surface Duo. We will leverage the variety of Surface devices, in tandem with Microsoft 365 solutions like Teams, Office, PowerApps, Planner, and more, to show how Northwind drives productivity while enhancing their employee and customer experiences with Microsoft Surface devices.

Experiences Include:

- Hands-on with Surface for Business devices
- Microsoft 365 solutions that can transform your organization
- Multiple immersive deep dives on key features unique to each Surface device
- Art of the Possible Discussions with a Senior Solutions Architect
