

## PRODUCT SHEET

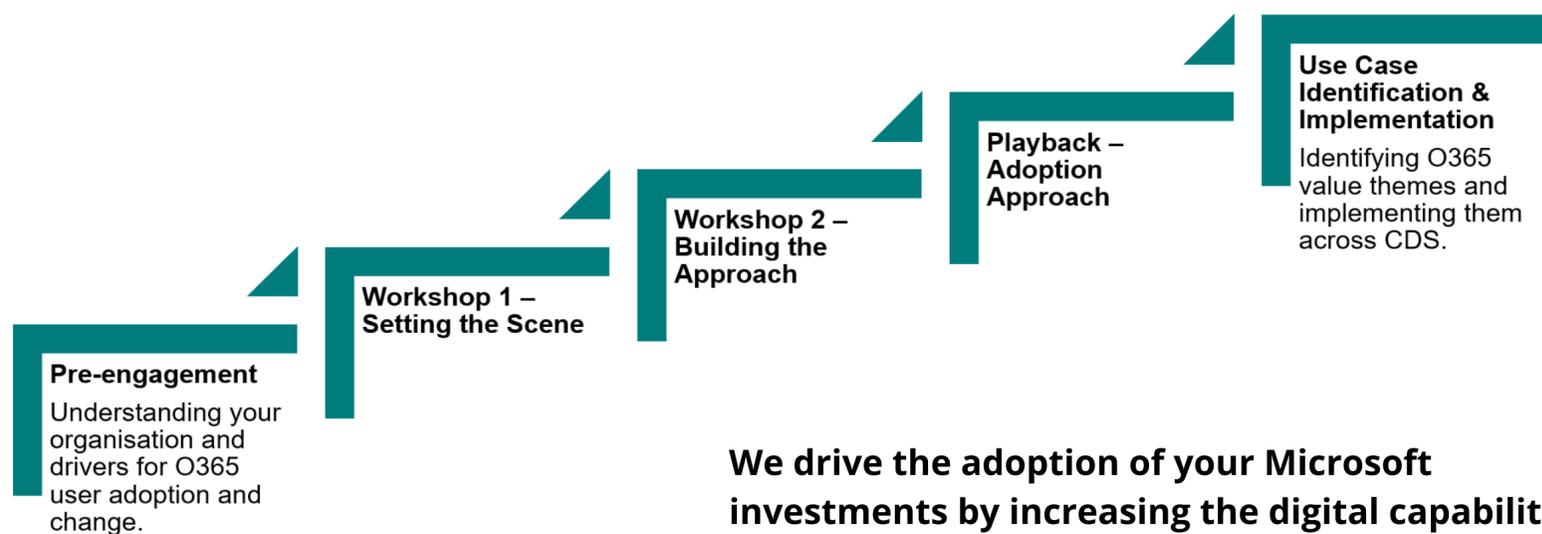

# QUICK START ADOPTION

Get your organisation to fall in love with new ways of working in a matter of days.

## QUICK START ADOPTION SOLUTIONS

Our adoption approach focuses on the people side of change, applying change management frameworks and our expert knowledge of Microsoft productivity technologies. Our quick start adoption services will ensure that you have all the crucial adoption and change management plans in place so you can deliver value in days not months.

## WHAT DOES IT LOOK LIKE?

**We drive the adoption of your Microsoft investments by increasing the digital capabilities of your colleagues. We focusing on specific business scenarios to transformation organisational, team and individual productivity.**

## WHAT YOU CAN EXPECT

10 days with the Changing Social team

Adoption approach for Office 365

A tailored adoption plan
