Why Microsoft Viva Learning?

Make learning a natural part of the day

What is Microsoft Viva Learning?

Viva Learning seamlessly incorporates employee learning content into the places employees already spend their time. Empower people with this center for employee learning in Microsoft 365. Help them discover and share professional training resources across your organisation, and track their learning progress.

The Common Issues

**Modules and tools are in several different locations**

**How do I upskill myself on the tools I use everyday?**

How do I know which content is relevant to me?
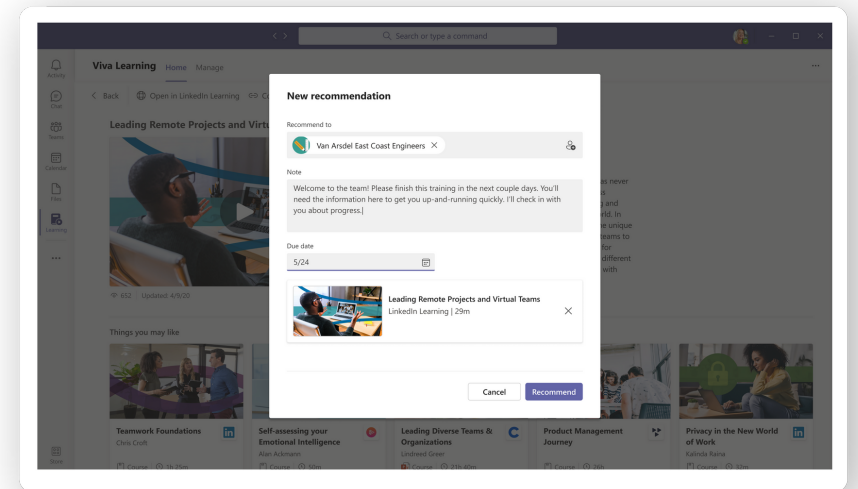

Microsoft Viva Topics' Solution

Learning in the flow of work

Incorporate learning into the tools people already use with Microsoft Teams and Microsoft 365.

Simplified learning

Bring together learning content and tools from different sources in one central hub.

Personalised and relevant

Find the right content and discover new skills with personalised recommendations and search.

What your customers can expect:

- Teams **learning app**
- **Personalised and recommended** learning
- **Tracked** learning
- Learning **integration into Teams** chat
- A **roadmap** outlining potential workstreams and dependencies with clear next steps
- Minimum viable **Viva Learning product**
- An **adoption framework**

Why Changing Social?

We are Microsoft Partners and have a great deal of experience in supporting organisations make the most of their technology. Our approach is to focus on the people side of digital transformation, with the goal of making work easier through new ways of working. We have experience in the Microsoft PowerPlatform and have built solutions with and for some of the world's most recognisable brands.

Contact james.mitcham@changingsocial.co.uk to get started with their employee experience journey.
