What are the Microsoft funded workshops??

Microsoft funded workshops or The Microsoft Cloud Accelerator Programme offers a collection of existing workshops to help you further transform how your organisation works using Microsoft Teams. We can apply for these accelerators allowing your organisation to envision the possibilities and realise your opportunities.

Funded workshops available

Changing Social will deliver an Adoption & Change Management workshop free of charge to ensure sustainable change and adoption of Microsoft Office 365.

**Whilst Changing Social are able to run and apply for the Microsoft Cloud Accelerator Workshops, there is no guarantee you will receive funding on the application, as there is a strict criteria to meet.*

Frontline Workers

The Enable Frontline Workshop

The Enable Frontline Workshop, will work through various frontline worker challenges and pain points to identify prioritised scenarios for your frontline workforce. Enabling these scenarios is Microsoft Teams, that is designed to help organisations improve collaboration, increase efficiency, build teamwork, and introduce automation for key business processes.

See what's possible

At Changing Social, our consultants will walk you through the art of the possible, working with you to identify opportunities for your frontline workforce to enable new, more effective and efficient ways of working. During the workshop, we'll develop an actionable plan based on your frontline workforce needs to help you move forward.

We'll work with you to:

Identify and prioritise key
use case scenarios

Explore opportunities to
streamline business
processes and improve
productivity outcomes

Provide an implementation
plan and next steps to help
you achieve your desired
goals
