CHANGING SOCIAL

ENHANCE THE
EMPLOYEE EXPERIENCE
with Microsoft Viva

Viva Employee Experience brings enhancements to how people engage with technology on a day-to-day basis.

REIMAGINE THE
EMPLOYEE EXPERIENCE

Viva Connections

Encourage meaningful connections across their organisation by enabling employees to discover relevant communications, communities and tools.

Viva Topics

Turn content into usable knowledge, organise knowledge into topics pages and people + ai: make knowledge easy to discover and use.

Viva Learning

Make learning a natural part of your day through learning content that's available in one place while drive results that matter.

What we do
Our Viva Service Description

Viva is a new transformative toolkit and with Employee Experience being a key component of most organisations, it is important that we engage with people, from all levels, to ensure the solution aligns with their requirements.

Viva Employee Experience is delivered across four consecutive phases:

01 Organisational Discovery & Requirements

02 The Technical Build

03 Departmental Discovery

04 Adoption & Change Management
