

EMPOWERING PEOPLE TO LEARN AND GROW

with Viva Learning

Microsoft Viva Learning removes the traditional obstacles found in an organisation by making learning a natural part of the day. This serves to help build a better and more engaged culture within an organisation.

What's included

Viva Learning Overview

Learning at work doesn't have to feel like a chore, and it shouldn't. With Microsoft Viva Learning we're removing the traditional obstacles to creating a true learning culture. By making learning a natural part of the day you can build a thriving culture with engaged and satisfied employees.

As a central hub for learning in Teams, Microsoft Viva Learning makes formal and informal learning widely accessible, so it's easier to learn while working and develop the skills your organisation needs.

01

Enable employees to easily discover, share, and engage with learning content

02

Support social learning to curate, pin, and share trainings in tabs where they collaborate

03

Curate, recommend, and track learning aligned with business outcomes

04

Deliver world class content from LinkedIn Learning, 3rd parties, Microsoft Learn, and your organisation's own custom content

94%

of employees say they would stay at a company longer if it invested in their learning and development

Create an agile

CULTURE OF LEARNING

1

Learning in the flow of work

Incorporate learning into the tools people already use with Microsoft Teams and Microsoft 365.

2

Simplified learning

Bring together learning content and tools from different sources in one central hub.

3

Personalised and relevant

Find the right content and discover new skills with personalised recommendations and search.
