You can purchase the Citrix Azure Consumption Fund from the Azure Marketplace.

This service is not offered through the Azure Cloud Solutions Providers portal. If you are a priority support customer, or interested in priority support, contact your Citrix account representative.

Requirements

You need:

- A Citrix Cloud account that has Citrix Virtual Apps and Desktops Standard (formerly Citrix Managed Desktops). The account has an associated Organization ID (OrgID) that you specify when purchasing the service.
 - If you have a Citrix Cloud account but don't know the OrgID, look in the upper right corner of the Citrix Cloud console. Or, look at the email you received when you created the account.
 - If you don't have a Citrix Cloud account, go to onboarding.cloud.com. For details about that process, see [Sign up for Citrix Cloud](#).
- Your Citrix Cloud account allows you to subscribe to only one of the Citrix Virtual Apps and Desktops services at a time. If you currently subscribe to a service*, and want to subscribe to this service, you must either:
 - Subscribe to this service using a different Citrix Cloud account.
 - Decommission the service you already have.
 - For more information, see [CTX239027](#).
- An Azure account and at least one subscription in that account.

Here is a matrix of the Azure Marketplace services and their compatibility.

You also need to know:

- Your email address and telephone number.
- How many users you want to support. This service requires a minimum of 25 users.

Purchase procedure

1. Sign in to the [Azure Marketplace](#) using your Azure account credentials.
2. Search for and then navigate to **Citrix Azure Consumption Fund**.
3. Click **Set up + subscribe**.
4. On the **Subscribe** page:
 - In **Name**, enter an easily recognizable name, such as “My Consumption.” You can use this name in the future, if you want to make changes to the service subscription.

- Select one of your Azure subscriptions to be used for billing. This subscription is specific to billing. It does not affect where user resources will be located.
- The yearly price is displayed. (Monthly billing is not currently available.)
- Enter your email address and telephone number.

When you're done, click **Subscribe**.

5. On the **Subscription progress** page, when the **Configure SaaS account on publisher's site** button becomes active (blue), click it. You're automatically directed to a Citrix order activation page.
6. On the Citrix order activation page:
 - Enter your Citrix Cloud Organization ID (OrgID). If you don't have or know your OrgID, follow the guidance in the tooltip, or review the [Requirements](#) section above.
 - The email address you entered earlier is shown. You can change it, if needed.

When you're done, click **Activate Order**.

7. Citrix sends you an email when your service is provisioned.
 - Provisioning can take a while. If you don't receive the email by the following day, contact Citrix Support.
 - Do not delete the Citrix Azure Consumption Fund resource in Azure. Deleting that resource cancels your subscription.

When your service is provisioned

After you receive the email from Citrix, you can begin using Citrix managed Azure with applicable services such as Citrix Virtual Apps and Desktops Standard.

The links below take you to the [Citrix Managed Desktops service product documentation](#). Use that information when working with Citrix Virtual Apps and Desktops Standard for Azure service.

- To create virtual machines that will deliver desktops and apps to your users, follow the guidance in [Get Started](#).
- To enable your users to remotely use the machines in their offices, follow the guidance in [Remote PC Access](#).

Cancel procedure

1. Sign in to the [Azure portal](#).
2. Search for **SaaS**.
3. Select the resource that you want to cancel.
4. In the resource's ellipsis menu on the right, select **Delete**.
5. Click **Yes** in the confirmation box to acknowledge that you know the refund policy and want to cancel the resource.
