

# Converting in class tests and assessments into actionable visualisations

CLASS ANALYTICS HELPS SCHOOLS BRING PAPER AND ELECTRONIC ASSESSMENT RESULTS TO LIFE THROUGH REAL TIME EASY TO USE VISUALISATIONS.

OUR PERSONALISED VISUALISATIONS ALLOW TEACHERS AND SCHOOLS TO QUICKLY TRACK, MAP AND MONITOR INDIVIDUAL STUDENTS PROGRESS OVER TIME.

## Converting in class tests and assessments into actionable visualisations

### TEACHERS

- ▶ Create better personalised learning plans for students
- ▶ Track student progress over time
- ▶ Assist students in weaker areas
- ▶ Save on administrative, planning and reporting time
- ▶ Allows better communication with parents

### DEPARTMENT HEADS

- ▶ Quickly compare performance across classes
- ▶ See specific year group progress
- ▶ Improve teacher recognition and support
- ▶ Assist with future planning
- ▶ Help teachers with early intervention plans

### PRINCIPALS & DEPUTIES

- ▶ High level overview of student performance and well being
- ▶ Benchmark current student progress against previous year groups
- ▶ Data informed conversation that supports better planning and strategy with key staff members
- ▶ Opportunity to deliver meaningful communication to parents

### PARENTS

- ▶ Can easily track child's progress throughout the year
- ▶ Understand subject topic areas of strength and weakness
- ▶ Creates a better dialog with teachers and schools
