and Tracking

Agri Marketplace

Multi-modal payment services

## Key Benefits :

### **AI-Based Price Prediction & Demand Forecasting:**

Maximizes profit by identifying the best-selling time.

### **Direct Buyer-Seller**

**Interaction:** Reduces dependency on intermediaries, ensuring farmers receive fair prices.

### **End-to-End Traceability & Tracking:**

Provides a transparent supply chain, building trust with buyers.

**Secure & Transparent Transactions:** Protects farmers with safe digital payments and verified trade partners.

**Farm-to-Table Integration:** Connects farmers directly with retailers, reducing food wastage and increasing profits.

**Market Insights & Smart Trading:** Gives real-time updates on price trends, buyer demand, and trade opportunities.
