Why choose Click Armor?

CLICK ARMOR™
Click With Confidence

FIRST OF ALL, WHY SECURITY AWARENESS TRAINING?

1

- Cyber threats are becoming more frequent and sophisticated
- Employees are the most likely target of cyber attacks
- Employees are often unprepared to handle phishing, social engineering and other malicious tactics

2

WHY GAMIFIED SECURITY AWARENESS TRAINING?

- Uses psychological drivers to stimulate learning and motivate behaviour change
- Learn by doing and receive immediate feedback
- Traditional training methods are often ineffective and inefficient

WHY CLICK ARMOR GAMIFIED SECURITY AWARENESS TRAINING?

3

- A gamified security awareness training platform that increases employee engagement
- Immersive, interactive learning challenges and scenario-based exercises
- Unique features like customized groups, company branding, interactive feedback, and rich data analytics with actionable next steps

WHAT ARE THE BENEFITS?

4

- Reduces end-user vulnerability and enhances your security posture
- Increases employee engagement and participation
- Trains employees in a positive, inclusive, and motivating format
- Helps you save time and money with a quick and easy deployment process that can match your current systems

5
