Windows 365

Deploy your Windows in the cloud

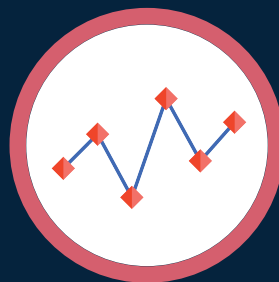

Windows 365 combines the power and security of the cloud with the versatility and simplicity of the PC. Stream your personalised Windows experience with your apps, content and setting in the cloud.

Join the Cloud PC revolution with our Windows 365 Deployment service. We will deploy you in three phases: Assess, Build and Deploy to get you going with Windows 365 securely and quickly.

Hybrid Working

Empower your teams to do what they're good at - with the flexibility to work from anywhere, any compatible device, at any time.

Scalable and resilient

Windows 365 uses the power of the cloud and the principles of Zero Trust to keep your company information secure.

Predictable costs

Per user, per month pricing for Windows 365 means you can forecast your spend accurately and will never be hit with an unexpected bill for Windows 365.
