

## Teams Voice Migration

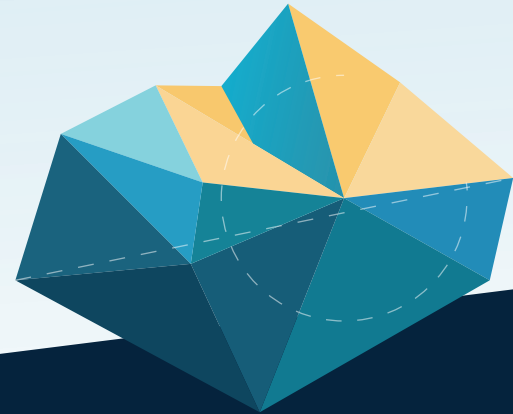

### Transform your Modern Workplace with voice

Microsoft Teams is the central hub for office productivity. It's the complete tool to bring your employees together to work faster and smarter together. Migrate to a true UC solution and deliver on the projects that are fundamental to your business.

#### What you'll get

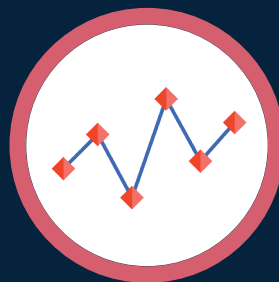

- ✓ Teams Meetings
- ✓ Auto attendant
- ✓ Caller ID, transfer and park
- ✓ Analytics
- ✓ AI powered accessibility
- ✓ Audio conferencing
- ✓ Hunt groups
- ✓ Reception operator consoles\*
- ✓ Contact centre\*

\*Optional extra

### All-in-one platform

Move from physical infrastructure by modernising your office environment with cloud technology. Call, chat and run meetings in a single application and bring AI powered capabilities to your business for greater inclusivity.

### Stay connected, from wherever

Enable employees to work and keep in touch from anywhere with flexibility, ease and intelligence. Provide the work-life balance that promotes happiness and wellbeing.

### Roll out and scale up

Your voice strategy is fundamental to getting business done. We'll migrate and provide you with guidance to kickstart your employees with Teams Voice. From there you'll be able to scale up with Microsoft cloud as your business grows.
