

Cloud 9 Infosteams, Inc. Special Offer

Accelerate and Collaborate with a Free Azure Assessment

Microsoft Azure Services: Cloud 9 Infosteams, Inc. is offering a **limited time complimentary engagement, valued at \$7500*** to help you assess, design, and build your "Desired State", digital applications & customized Cloud strategy utilizing the Microsoft Azure Platform. This assessment plan will help you develop a roadmap for your cloud initiatives. You will also get a view of your current and desired infrastructure capacities, which will help you align your investment preferences both in the near term as well as strategically for the future.

Cloud 9 Infosteams, Inc. will provide an in-depth discovery questionnaire and assessment of your current state IT environment, known limitations, key pain points, governance, costing, security concerns, and more. We will recommend a roadmap of strategic initiatives and tactical steps utilizing the robust Microsoft Cloud Adoption Framework (CAF) methodology.

Today's modern organization must utilize all available technologies and strategies to build a cloud adoption roadmap to embolden competitiveness and dependability in our uncertain, rapidly changing business environment. If you are an IT or business executive it is imperative to provide significant, competitive advantages, accelerate your organization forward with superior tools for your customers and staff. Depending on whether you're considering a comprehensive, hybrid and/or multi-cloud effort with Azure in the mix strategy, we will listen to your needs and goals to plan for positive business outcomes which encompass your financial and technical considerations regardless of your Industry.

About Cloud 9 Infosteams, Inc.: As a born in the Cloud service and delivery organization along with 11 years of Cloud subject matter expertise we are committed to delivering positive outcomes for our clients.
