

Unlock the true value of the Microsoft Cloud by taking the **JOURNEY** with CollabPoint

The Problem

Too often, organizations complete their Microsoft Cloud migration and sadly don't experience the many benefits they were expecting. Disappointing ROI, frustrated end users and limited adoption can leave organizations thinking **"was the migration worth it?!"**

Our Solution

At CollabPoint, our dedicated team of Microsoft Cloud experts are here to ensure you don't fall into the same traps. No matter what stage you are at with your migration, we are here to be your guiding light to make your Cloud JOURNEY as smooth as possible.

A successful Cloud JOURNEY is more than just a technical migration...

CollabPoint's expert team have the experience and expertise to provide a seamless JOURNEY to the Microsoft Cloud from start to finish, setting your organization up for success for the long term.

- Digital Adoption
- User Experience
- Enablement Training
- User Empowerment
- Self-Service Governance

Together, we can map your JOURNEY to success

- 1 Review Goals and Define Maturity**
Every JOURNEY is different. We start by getting to know you and your organizations unique goals.
- 2 Mapping the Journey**
Knowing your goals and ambitions, we will build a map to success in the Microsoft Cloud to help you get there.
- 3 Journey to Implementation**
Now we have our map, it's time to get started. Our expert team will guide you through each stage of the implementation making it as seamless as possible.
- 4 Monthly Advisory**
Your dedicated Cloud migration expert will provide support, guidance and track your progress.
- 5 Continuous Progress Tracking and Support**
You'll never be alone on your JOURNEY. CollabPoint will be there every step of the way to provide the support you need, when you need it.
