

Optimize financial operations and maximize growth

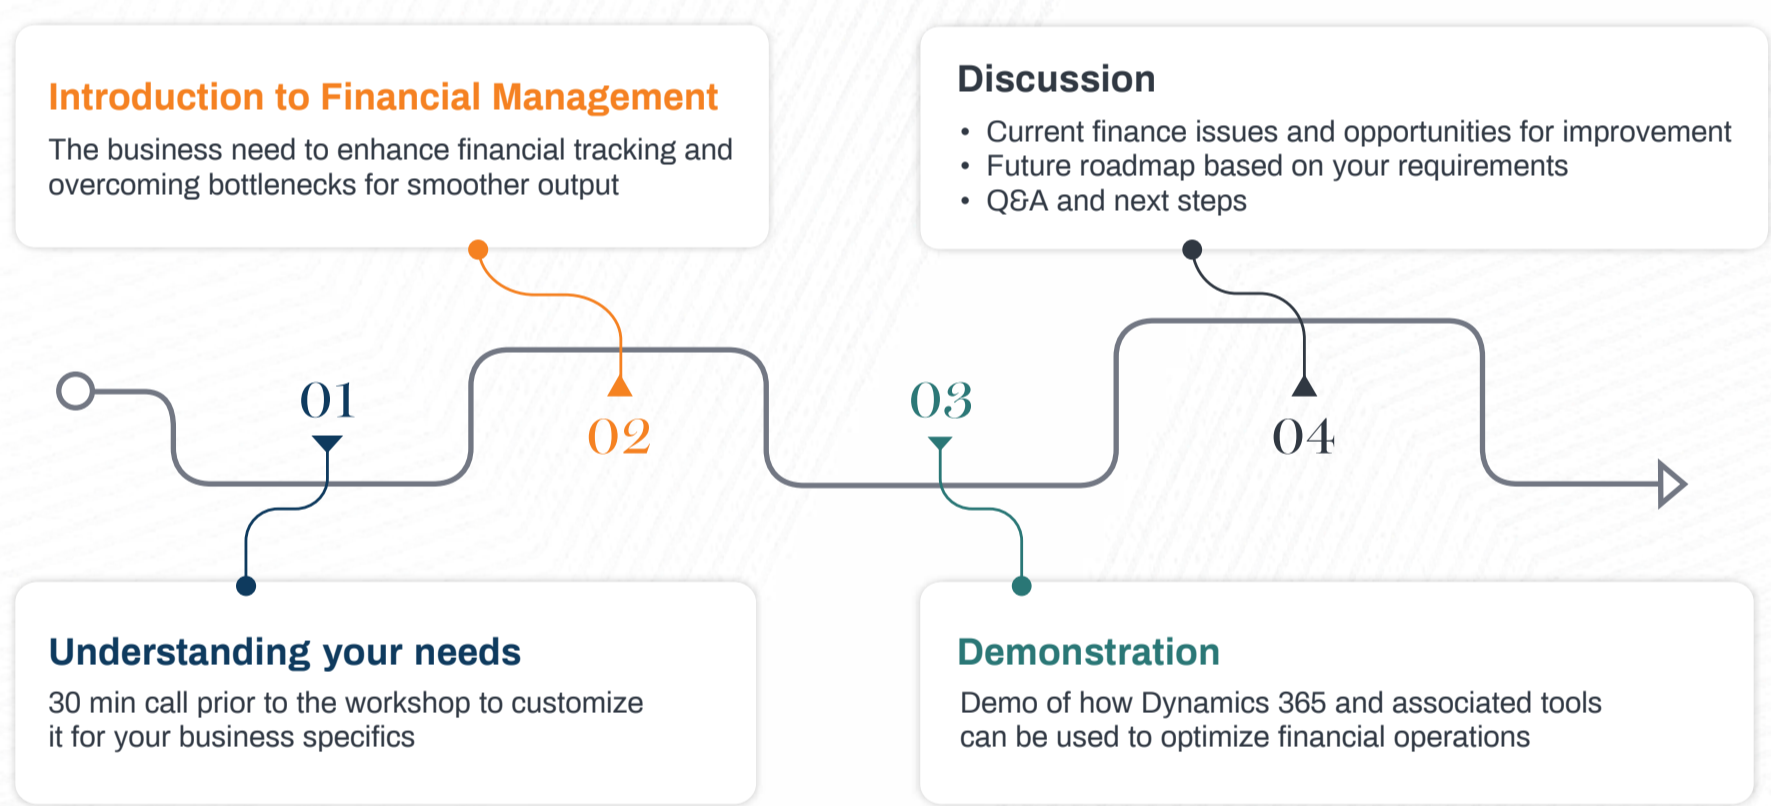

Special Offer

Columbus Offer "Optimize financial operations and maximize growth" is a one-day workshop that will help your team to learn:

You don't need to have IT knowledge to be a part of the Workshop. Understanding of your current processes, operational activities & future requirements matter the most.

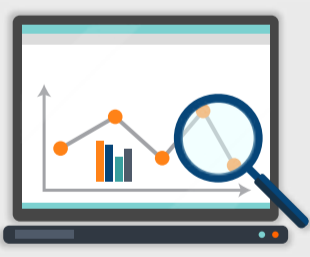

Workshop in details

Business Use Cases

During the workshop, we will introduce you to the new opportunities that modern finance brings and demonstrate how Microsoft technologies can optimize financial operations based on business use cases.

Improved Tracking

Diversified Reporting

Enhanced Analytics

Budgeting & Controlling

Why invest time and effort?

Only **30%** of finance respondents say that their companies currently use digital tech for revenue forecasting, cash-flow forecasting and scenario management (*McKinsey*)
