

# Microsoft 365 Copilot Readiness

---

**2 Weeks Workshop**

**Your copilot for work.** It combines the power of large language models (LLMs) with your data in the Microsoft Graph and the Microsoft 365 apps **to turn your words into the most powerful productivity tool on the planet.**

Embedded across all the Microsoft 365 Apps

Business Chat brings together **data from documents, presentations, email, calendar, notes and contacts** – all using **natural language**.

This readiness assessment will help you **build a roadmap and identify use cases** with the highest **impact** for fostering a more innovative and productive future.

## Microsoft 365 Copilot Readiness Workshop Highlights:

1

Review current usage of Microsoft 365 services

2
