workplace

Proposal presentation

Comtrade System Integration

Through our deep expertise in Microsoft licensing, specific domain knowledge and extensive experience in the industry, we are able to successfully deliver market-leading Microsoft solutions and meet the ongoing demands of all our clients.

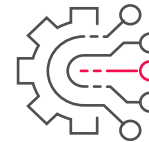

Comtrade System Integration

We are provider of market-leading hardware and software solutions and digital transformation services.

We help companies accelerate the deployment of digital technologies to enhance performance and efficiency.

Our business model is centered on becoming a cloud-empowered enterprise based on the latest Microsoft Cloud technologies: **Azure, Microsoft 365, Dynamics 365, Power Platform..**

We employ more than **200** highly experienced IT experts, of which over 40% hold **top Microsoft certifications.**
