

# Condeco & Proxyclick Overview.

**Bring everyone together at work successfully.**

We make the most of your hybrid workplace experience with solutions that deliver the certainty you need, the collaboration you crave, and capacity insights to give you the confidence to manage any office.

Condeco's workspace scheduling software with integrated visitor management is designed to equip employees and their guests with the right tools to help them best manage their flexible workday when visiting the office.

# How we add value.

## Certainty

- ✓ Plan your entire day
- ✓ Book any workspace needed
- ✓ Collaborate easily with colleagues and guests

## Collaboration

- ✓ Facilitate networking and builds relationships
- ✓ Coordinate people, time, and spaces
- ✓ Give visitors a warm welcome

## Capacity

- ✓ Makes office a joy to visit
- ✓ Facilitates a safer workplace
- ✓ Create optimal work environment

# Superior office experience.

Our end-to-end digitally connected workplace experience easily brings everyone together.

## Visitor management by Proxyclick

Welcome visitors into the workplace and deliver a safe, compliant, and healthy environment for your guests and employees.

## Workspace scheduling

However you choose to work, whether you collaborate at the office or focus remotely, our solutions give you everything you need to work flexibly.

## Personal space management

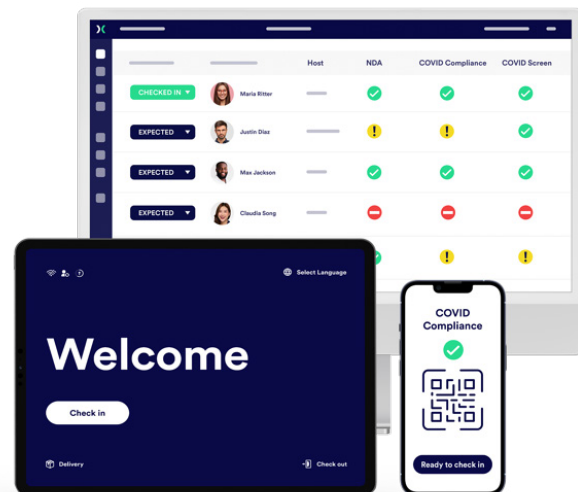

Ensure every single element of your day in the office is arranged before you even leave home.

## Meeting space management

Whatever type of collaboration space you need to innovate and create, Condeco can connect you to it in moments.

## Intelligent analytics

Get valuable insights on how your workspaces are used, so you can reshape and optimize your office.

## Integrations

Whatever your existing systems and workflows, you can add Condeco to your ecosystem with our smart out of the box integrations or customize with APIs.

## Hardware options

Our optional extras can help you gain even greater efficiency from your workspaces and make bookings and check-ins easier for you.

# Seamless user journey.

Condeco and Proxyclick's superior end-to-end workplace solution enables your people to visit any office safely and with ease.

## Streamlined scheduling of meetings and visitors

## Secure scheduling of employee office access\*

\*Available soon

### Safe workplace

COVID Compliance centralizes vaccine certificates and test results for workplace entry and automatically configures credentials based on the individual's health status.

### Mobile workplace

Fixed, flexible and bookable spaces are just a tap away. Use your iOS or Android device to plan your workday and invite visitors into the office.

### Secure workplace

Enterprise security accreditations such as SOC 2 Type II, ISO 27001, GDPR compliance, and Microsoft Gold Partner Status offer assurance in your investment.
