

# Seamless Insights, Singular Platform: Unleash the Power of Unified Analytics

Modern Data Platform POC (Microsoft Fabric)

## Explore the experience

### Enhance your organization's adoption of Microsoft Fabric with our Rapid Proof of Concept (POC).

Our Microsoft Fabric POC delivers immediate and tangible value. We'll collaborate with you to execute a rapid POC utilizing Microsoft Fabric, tailored to suit your unique needs.

Our POC is designed for deployment as a secure sandbox within your own Microsoft tenant environment, ensuring a seamless and risk-free exploration of Microsoft Fabric's transformative capabilities. Accelerate your technological evolution with confidence through our efficient POC solution.

## What You Can Expect From This POC

Engage with our Proof of Concept (POC) to deepen your comprehension of Microsoft Fabric's capabilities, expediting the identification of specific areas for adoption within your organization.

## True Value

Collaborate with us as we pinpoint the ways your stakeholders can leverage **Microsoft Fabric's capabilities**.

Together, we'll craft a **strategic roadmap** tailored to implement Fabric features that deliver tangible and substantial value to your organization.

## Microsoft Fabric POC Overview

**Duration: 4 weeks | Cost: \$ 25,000**

### Discovery (Week 1)

Discovery and Analysis of 2 of your data sources.

### Data Migration (Week 2)

Ingest sample data from two sources into Microsoft Azure.

### Data Model Deployment (Week 2)

Implement sample model in Lakehouse or Synapse Analytics Warehouse.

### Report Migration (Week 3)

Migration of up to 4 of your existing BI reports into Microsoft Fabric Power BI.

### Presentation of Capabilities (Week 4)

Showcasing Microsoft Fabric's full cycle: Ingestion, storage, analytics, and reporting features.
