

# Power Platform Consulting Offer via AppSource

## App in a Day: 1-day Workshop

### \$2,500; travel included\*

App in a Day is designed to accelerate your Power Apps, Power Automate, and Dataverse experience with a comprehensive training in a single day, held at your location.

The training provides practical, hands-on experience with Confluent who specializes in creating custom Power Platform solutions in a full-day of instructor-led workshop.

You will learn how to build custom apps that run on mobile devices, and share them inside your organization securely.

\*Travel within the continental United States and Canada included

#### Agenda:

- Power Platform Overview
- Intro to Canvas Power Apps and Lab
- Intro to Dataverse and Lab
- Intro to Model-driven Power Apps and Lab
- Intro to Power Automate and Lab

 Microsoft | Power Platform

Confluent was an early adopter of the Power Platform, and can trace our involvement with it back to the beginning. Our focus is on delivering cloud-based business application solutions. With the Power Platform companies of any size have the ability to afford a digital transformation initiative. We leverage this tool set to solve a myriad of different business process improvement challenges, and work with companies of all sizes and varying industries to identify opportunities for digital transformation.
