Confluent

Power Platform Consulting Offer via AppSource FREE 1-Hour Migrating to Dataverse Assessment

Already using Dynamics 365 or SharePoint and interested in learning more to see if migrating to the Dataverse is right for you?

This assessment is designed to help you understand the capabilities of Dataverse, as well as if this platform would be an ideal replacement for existing systems.

During the assessment we will discuss existing business processes and current data systems/sources, near- and long-term considerations, infrastructure, and licensing options / costs.

*The assessment will be a scheduled remote session via Teams

Deliverables:

- **Recommended road-map**

- **Demo on similar solutions**

- **Recommendation on licensing**

- **What's Next**

- **Budgetary guidance**

Microsoft | Power Platform

Power Apps | Power Virtual Assistant | Power BI | Power Automate | Power Pages

Dataverse | Azure | Viva Sales | Dynamics 365

Confluent was an early adopter of the Power Platform, and can trace our involvement with it back to the beginning. Our focus is on delivering cloud-based business application solutions. With the Power Platform companies of any size have the ability to afford a digital transformation initiative. We leverage this tool set to solve a myriad of different business process improvement challenges, and work with companies of all sizes and varying industries to identify opportunities for digital transformation.
