# Continuant Connect Calling Plan and Microsoft Teams Architecture

Experience the simplicity of Calling Plans with the power of Direct Routing

- Flexible Calling plans
- Your trusted PBX in the cloud
- Azure Secure and reliable
- Enhance your Teams investment
- Analog and PBX integration

(Sample Configuration shown)

BYOC vs Connect Calling Plan

Option 1:
SBC onsite or virtualized
(Bring Your Own Carrier - higher initial expense,
complicated, takes more time)

Option 2:
Continuant Calling Plan
(cheaper, simpler, faster)
