

## Corbett Email Attachment Extractor

A quick solution to extract email attachments from any email account.

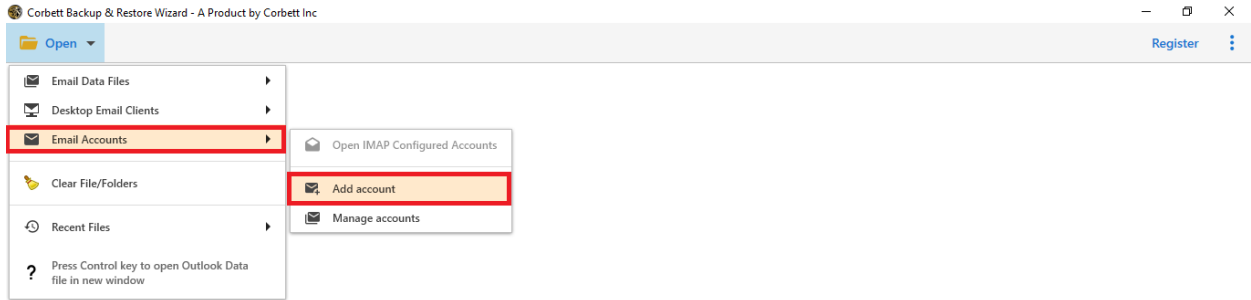

Extracting only attachments from emails is not easy, especially if you want to save multiple attachments. Therefore, this email attachment exporter helps you to save all your attachments easily and securely. With the help of this software, you can export attachments from any email client, email files, and documents.

Visit the Official Page: [Corbett Email Attachment Extractor](#)

**Step 1:** First of all, **download and launch** the software on your computer. Click the **Open** button.

**Step 2:** Now, you have various options to open your emails. So, if you want to save the attachments from an email account. Click on the **Email Accounts**, then the **Add Account** option.

v3.0 |

**Step 3:** Enter the details of your accounts and click on **Advance Settings** to locate IMAP settings. Press the **Add** button.

v3.0 |

A screenshot of the 'Add Email Account' dialog box. The title bar reads 'Add Email Account'. The main section is titled 'Email Account Details'. It contains the following fields: 'Email' with the value 'harryjordan3326@gmail.com', 'Password' with a masked password '.....', 'Advance Settings' (collapsed), 'Imap Server' with the value 'imap.gmail.com' and a 'Find' button, and 'Imap Port' with the value '993'. There is a checked checkbox for 'Secure Port'. At the bottom, there are three buttons: 'Need Help?', 'Add', and 'Close'. The 'Add' button is highlighted with a red box.

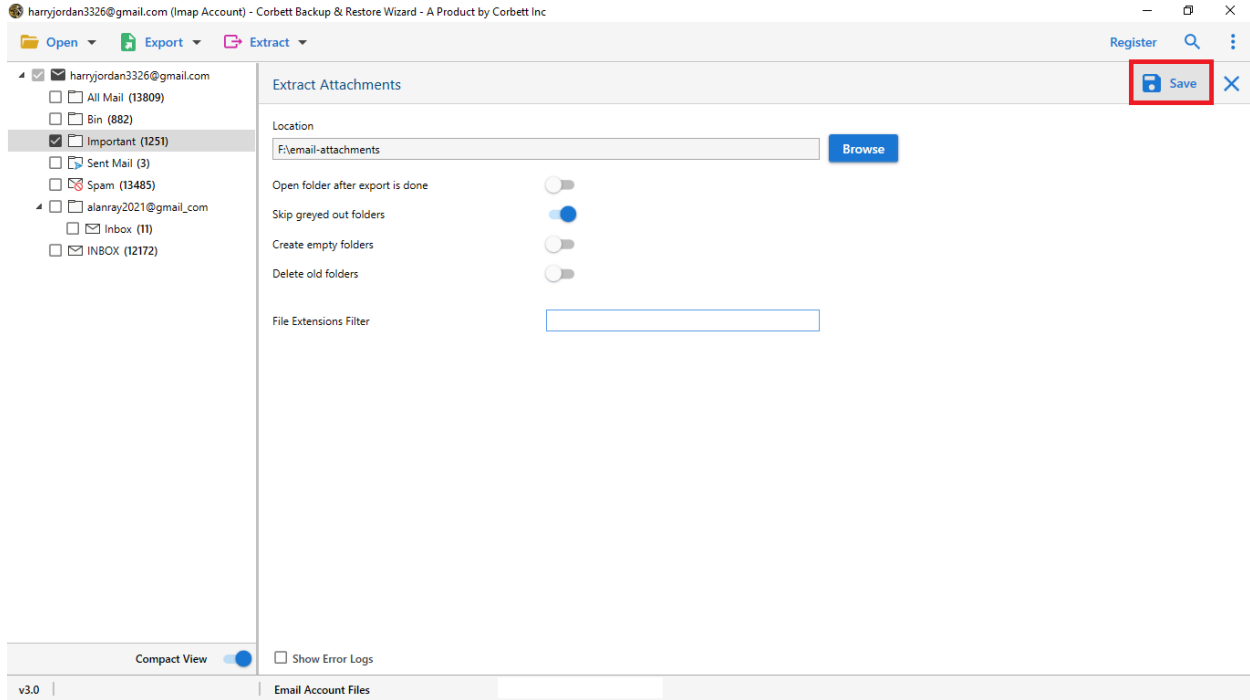

## Step 4: The software auto-fetches your data and presents it in front of you. Preview your data.

The screenshot shows the Corbett Backup & Restore Wizard interface. The top bar includes 'Open', 'Export', and 'Extract' buttons. The left sidebar shows the email account structure for 'harryjordan3326@gmail.com'. The main pane displays a list of emails, with 'Kotak 811 Credit Card' selected and highlighted in red. The right pane shows the content of this email, which is an advertisement for the Kotak 811 #DreamDifferent Credit Card. The ad features a 'PRE APPROVED' stamp and a 'VISA' logo. The text of the ad includes: 'Your Credit Card is waiting for you', 'Open a Fixed Deposit and get the Kotak 811 #DreamDifferent Credit Card free!', 'Apply Now', 'No documentation required', and 'Enjoy the benefits of the Kotak 811 #DreamDifferent Credit Card while earning high returns on your Fixed Deposit!'. Below this, four benefits are listed: 'Lifetime free Credit Card', '2X reward points on online spends\*', 'Rs. 750/- on annual spends of Rs. 75,000', and 'Interest free credit period up to 48 days\*'. The bottom status bar shows 'v3.0' and '1767 messages'.

## Step 5: Click on the **Extract** options and select the **Attachment** button.

The screenshot shows the Corbett Backup & Restore Wizard interface with the 'Extract' menu open. The 'Extract' button is highlighted in red, and its dropdown menu is also highlighted in red, showing options: 'Email Addresses', 'Attachments', 'Phone Numbers', and 'Associated Email & Phone Numbers'. The main pane shows a list of emails, with 'Kotak 811 Credit Card' selected. The right pane shows the content of this email, which is an advertisement for the Kotak 811 #DreamDifferent Credit Card. The bottom status bar shows 'v3.0' and '1251 messages'.

**Step 6:** Select the **Browse** button to navigate to a desired location. Apply any filters and press the **Save** button.

## Conclusion

Properly follow the steps to successfully export your attachments. If you want you can easily save your attachments from the email files, by clicking the Email Data Files. This tool is a great way to save email attachments without any issues.
