

Azure Virtual Desktop Quick Start

Learn how you can optimize a work from anywhere workforce, manage workloads, control costs, and deliver the most secure experience for your team with Azure Virtual Desktop (AVD) Quick Start.

Our AVD Quick Start Includes

Our quick start begins with an expert one-on-one session with a Solution Architect that will help our team understand your current environment. Our team will then provide a proof of concept that includes the following deliverables.

- Isolated Azure Subscription
- VPN to Apps and Data (1)
- Win 10-MS Image (1)
- Microsoft 365 & FSLogix Integrated
- OneDrive or Azure Files Svc
- Deploy Host Pool – 25 users
- Branded AVD Access Guide

Get started with Azure Virtual Desktop Today!
