

Dashboard in a Day

Identify insights into your data to drive better business decisions

New to Power BI? This is the workshop for you!

Learn how to create Power BI reports and dashboards, with our hands-on 'Dashboard in a Day' 1 day instructor-led workshop.

Dashboard in a Day is one of CPS' Power Platform Enablement Services and equips participants with an understanding of Power BI through simple scenarios, facilitated by one of CPS' expert consultants.

 Transform Data	 Data Visualisation	 Share Dashboards
<p>Gather and transform data from multiple data sources to help define business rules and KPIs.</p>	<p>Build stunning reports through data visualisation tools.</p>	<p>Share dashboards and connect with colleagues to collaborate and arrive at business results.</p>
