

## ●● Microsoft 365 Governance Assessment

Crayon Microsoft 365 Governance Assessment will assess Your configuration and build recommendation report.

### Stage 1

Review existing Microsoft 365 configuration.  
Deliver report of findings.

### Stage 2

Build recommendation list.

### Stage 3

Create roadmap and implementation plan.

We will focus on 7 pillars:

1. Account / authentication
2. Application permissions
3. Data Management
4. Email security
5. Auditing
6. Storage
7. MDM
