

# Improving Employee Experience: 4-Week Viva Implementation Package

Our Viva implementation package is designed to assist you with maintaining an extraordinary employee experience. We'll walk you through all the current Viva components and build a technology plan customized to your unique needs.

## Action Items:

- Viva recommendations & rollout documentation
- 1-hour Viva Enablement Session
- Proof of Concept + Additional Viva Resources

We're here to help your organization **understand**, **adopt**, and **love** its technology
