Hybrid Meetings and Rooms Workshop

Covenant TECHNOLOGY PARTNERS

Held in-person or virtually, the Hybrid Meetings & Rooms Workshop is a modular engagement to help define customers business priorities and scenarios that drive hybrid meetings. This workshop is designed to showcase hybrid meetings with Microsoft Teams Rooms through 'art of the possible' immersive experiences, use case design, and planning. At the end of the workshop, customers can expect actionable recommendations to deploy and adopt Microsoft Teams Rooms and hybrid meetings. This workshop can be broken down into multiple 4-hour sessions or multiple day sessions.

Price: $5,000

Enhance Hybrid Work Experience with **Microsoft Teams Rooms**

o365reports.com

Included in the Hybrid Meetings and Rooms Workshop will be:

- Define scope, identify business stakeholders, and gather information on key business scenarios
- Envision the art of the possible, pinpoint scenarios that can result in increased user engagement and productivity.
- Prioritize scenarios to include in a solution plan, define next steps, timeline to develop and implement the solution.

Dedication. Innovation. Results.
