

Power Platform Governance Workshop

Held in-person or virtually this workshop focuses specifically around establishing governance and best practices with Microsoft Power Platform, tailored specifically for your organization. This workshop can be broken down into two 4-hour sessions or multiple day sessions.

1-day workshop for client to understand Power Platform Governance
Price: \$6,200

Included in your customized Power Platform Governance Workshop will be:

- An evaluation of your current Power Platform licensing and environment needs.
- An evaluation of suitable Citizen Developer (CD) Organizational Operating Models.
- Review Security, Control and Visibility practices.
- Steps to establish an Environmental Strategy.
- Customized, actionable recommendations you can follow to govern your Power Platform environment.

Dedication. Innovation. Results.
