(onboarding costs apply)**

A long-exposure night photograph of a city street. The image is dominated by vibrant light trails in red, yellow, and white, suggesting the movement of traffic or light sources over time. In the background, a multi-story building with lit windows and storefronts is visible. A semi-transparent white rectangular box is overlaid on the left side of the image, containing the text "Thank you." in a white sans-serif font. The overall color palette is dark with high-contrast, saturated light trails.

DAMOVO

Thank you.
