

**IMPLEMENTATION**

# Datacom's 12-week rapid implementation of Dynamics 365 Business Central

Kickstart your ERP journey with a 12-week rapid implementation of Dynamics 365 Business Central, designed to align with your core business needs and deliver immediate value through streamlined finance and operations.

Accelerate your business with our rapid 12-week project solution. Looking for a quick, efficient and reliable way to transform your business operations? Our rapid 12-week Business Central implementation is designed with small to medium-sized companies in mind, offering a fixed scope and Microsoft best practice deployment to ensure a smooth and successful rollout.

Tailored to suit your unique business needs, this solution delivers scalability, allowing your operations to grow alongside your ambitions. Ready for full Microsoft Office integration, including Outlook, Excel,

Word, Teams and more, you'll experience seamless collaboration and productivity across your organisation.

This powerful, ready-to-use ERP platform unifies your financials, sales, purchasing, inventory and operations into a single, streamlined system. By automating routine tasks and providing real-time insights, it enhances visibility and control across your business, reducing errors, increasing compliance and improving overall efficiency. With consistent, data-driven reporting at your fingertips, you'll gain the clarity and confidence needed to make faster, smarter decisions that drive sustainable growth.

# Key benefits

## Fast time to value

Go live in just 12 weeks with a streamlined, fixed-scope implementation based on Microsoft best practices.

## Seamless Microsoft integration

Fully integrated with Outlook, Excel, Teams and other Microsoft applications for enhanced productivity and collaboration.

## Built for growth

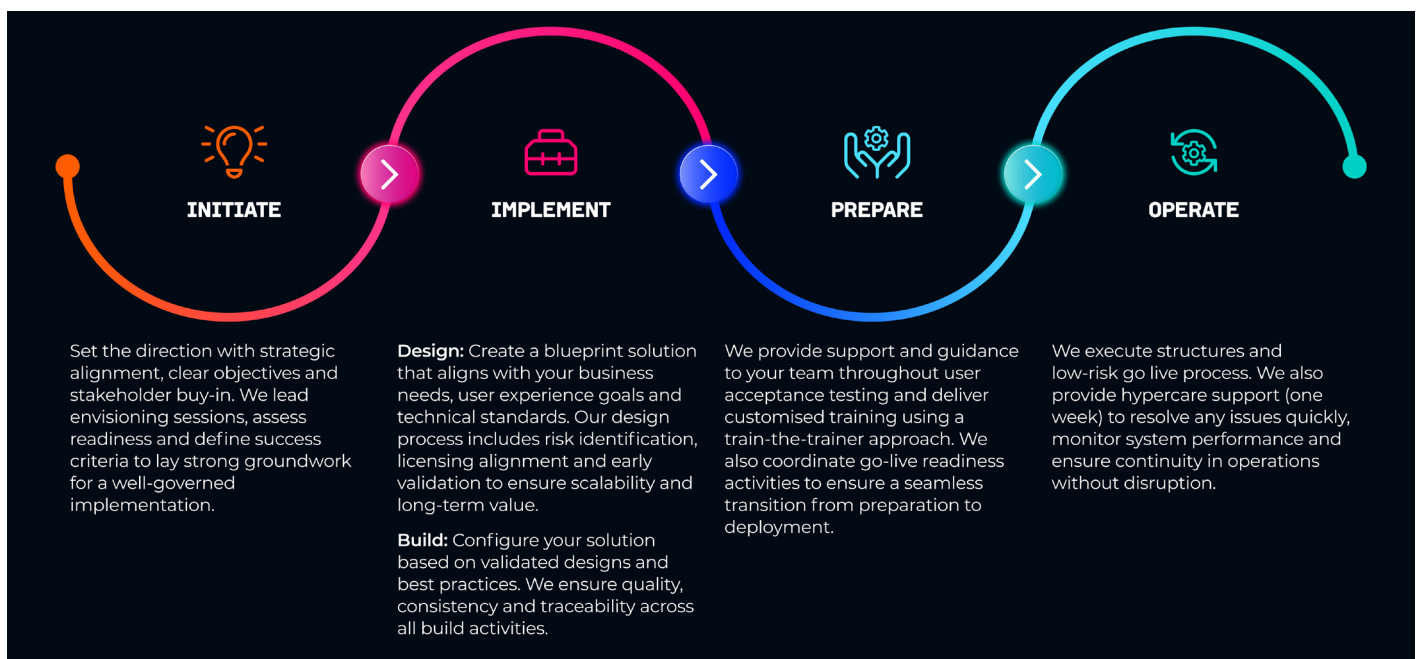

A scalable solution that evolves with your business, supporting future expansion and changing needs.

## Cost predictability

Our fixed-scope offering provides clear visibility into costs and deliverables with no surprises.

# Implement Dynamics 365 Business Central in 12 weeks

## Experience the Datacom difference

At Datacom, we've been helping leaders across a broad range of industries including government, healthcare, financial services, and education to tap into the power of Microsoft Dynamics 365 and its Power Platform. By doing so, our customers have been able to accelerate time to value, speed up innovation, and drive benefits for their customers, employees, and organisations

Our technical and information management experts are some of the best in the world and have a wealth of knowledge and experience that allows us to quickly identify areas of risk and opportunity. Datacom's deep knowledge of Microsoft technologies and our solid partnership means we're committed to being your trusted partner, navigating you towards achieving success and maximising your investment in Microsoft Dynamics 365.
