# About **scoutAsia**

The scoutAsia platform combines three powerful capabilities:

## Consolidated News Subscription

Expand your vision. 50+ of the best Asian business and financial news sources in one convenient subscription.

- Nikkei Asian Review, Financial Times, DealStreetAsia, Caixin, Hindustan Times, Bangkok Post, Jakarta Post, New Straits Times, The Straits Times, South China Morning Post...and more.

## Customisable AI Technology

Never miss a signal. Build customisable AI alerts to track companies and trends you care about.

- Customise AI learning machines to your specifications, and let them read the news daily for you.
- Receive daily email alerts picked up by your customised AI learning machines.

## Private and Listed Company Database

Identify opportunities in Asia. Extensive data on Asian private and listed companies.

- Coverage of 700,000 commercially important Asian companies, across 24 countries and regions.

# Consolidated News Subscription

Gain access to 40 of the best Asian business and financial news sources in one convenient subscription.

The screenshot shows the scoutAsia website interface. At the top, there's a navigation bar with the scoutAsia logo, a home icon, and dropdown menus for 'Countries & regions' and 'Sectors'. To the right are links for 'Saved Searches', 'Targets', and a 'DA' badge. A left sidebar contains filters for 'COMPANIES' and 'NEWS', a search bar, and a 'MENTIONS' section with sub-filters for 'Companies' and 'Countries & regions'. The main content area displays '2,475,512 ARTICLES FOUND' and lists three news items. Each item includes the source, time, headline, a brief description, and a list of companies mentioned. The first item is about KiotViet, the second about China's solar and wind power, and the third about Vietnamese youth. At the bottom, there are logos for NIKKEI and FT, and links for 'Ts & Cs', 'Cookies', and 'Privacy'.

# Private and Listed Company Database

Extensive corporate profiles on 700,000 Asian private and listed companies.

The screenshot displays the scoutAsia interface for a company profile. The top navigation bar includes the scoutAsia logo, a home icon, dropdown menus for 'Countries & regions' and 'Sectors', a 'Saved Searches' icon, a 'Targets' icon, and a 'DA' button. The main header shows the company name 'Longi Solar Technology Co., Ltd.' with a search icon, a 'CONNECTIONS' button, and an 'ADD TO LIST' button. Below this, it states 'Added to 0 Target Lists'. A table provides key details: Ownership (Private), Status (Active), Country or region (CHN China), and Year founded (Unknown). A 'CONTACT INFORMATION' section is also present. The 'Description' section contains a paragraph about the company's manufacturing focus and incorporation details, followed by a 'Read more' link. The 'Financials' section shows currency options for USD and CNY. A sidebar on the right lists 'People' (Number of Employees: 1,200 as of 31 Dec 2017) and 'Sectors' (Industrials > Electronic & Electrical Equipment, with a sub-item for All Other Miscellaneous Electrical Equipment and Component Manufacturing). The bottom left corner has an 'OVERVIEW' tab.

OVERVIEW

- **Search** and build a detailed understanding of more than 700,000+ companies across Asia - each with its own Company Page.
- **Analyse** information on significant private firms with their connections and real-life business contexts. scoutAsia makes the process faster and simpler.
- **Create** sophisticated target lists and receive alerts that track companies of interest.
- **Perform** “whole market” analysis that includes private firms.
- **Explore** “Connection Maps” that visualise the ownership structure of your target company.
- **Export** basic financial data directly from the source.

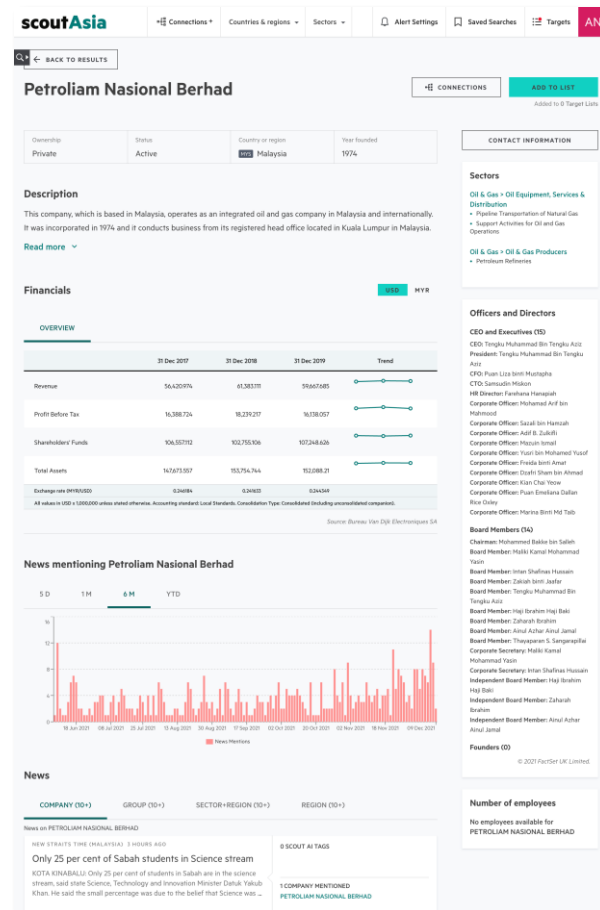

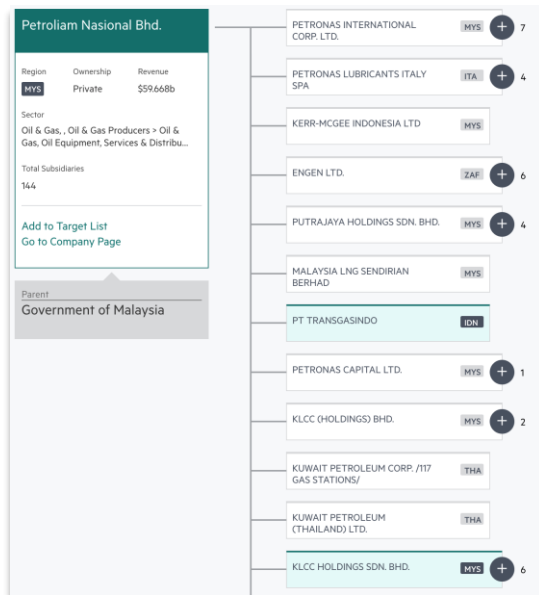

## Use Case

# Research & Prospecting

We provides you with a consolidated subscription to corporate data & news at an affordable price.

Our clients use scoutAsia for preliminary research on their future investment, potential customers, partners or competitors.

At a company page, you'll be able to find corporate profile, structure (connections), financials, news mentions, and related news all in one place.

## Use Case

# Sector/Company Monitoring

ScoutAsia performs 24/7 monitoring on thousands of articles across Asia daily to capture what's new on your watchlist.

From management reshuffle, corporate mergers, financial findings to political movements and regulatory actions, scoutAsia read and analyse sources and deliver information that matters to you on the app and via email alerts.

### JPX Kiyota CEO 'Market safety is the most important', apologized at the national securities competi...

THE NIKKEI | 1 OCT 2020

Japanese | JA Auto-translated to English

Akira Kiyota, CEO of Japan Exchange Group (JPX,8097), attended the National Securities Convention held on 5th, in apologized as 'It caused a great deal of trouble to investors and market participants' for the fact that a system failure occurred at the Tokyo Stock Exchange on 1st and trading of stocks was suspended all day. After that, it was named 'Market safety is paramount and first and foremost' and emphasized that it will strive for safe and secure market management. The person explained ...
