

ANALYTICS VISION

DEFINING YOUR FUTURE FOR ANALYTICS

About Decision Inc. Australia

We help companies become Data-Driven Businesses that are fit to take on the challenges of a digital world; transforming their current operations and developing their new business platforms to scale innovation into the future.

Once the Analytics Vision session is completed, we deliver a feedback report covering 5 areas.

GROWTH & MEASUREMENT

How the technology, data, applications and information help you to be more effective and competitive.

INSIGHTS & ACTIONS

Using analytics to impact on the strategy. Ensuring the analytics blueprint is aligned to the strategy.

TOOLS & USERS

The applications you have in your business and how to use them to serve the end user.

PURITY & GOVERNANCE

Making sure your data is clean, accurate, frequent, relevant, accessible and safe.

RIGHT FIT

The role of technology today and in the future for the organisation. Do you have fit for purpose platforms.

Engagement Overview

Session Duration 4 to 8 Hours

Deliverables

- Lead by our Senior Consultants, the Analytics Vision Session will work closely with the Head of Business Unit to understand how analytics can drive transformation.
- Upon completion of the session, **we will provide a high-level blueprint across 5 areas - Growth & Measurement, Insights and Actions, Tools and Users, Purity & Governance, and Right Fit** (see above).

Investment \$3,000 - \$5,000

Location Online or at your office
