Our dubbed tracks are live on some of **the largest media providers worldwide**

The AI dubbing partner of **industry leaders**

What can we expect from viewers in 2024?

Cost

Subscription services cost too much.

Quality

Excessive consumption means they want more high-quality content.

Variety

Want localized, engaging and appealing content.

When content companies don't provide, viewers churn.

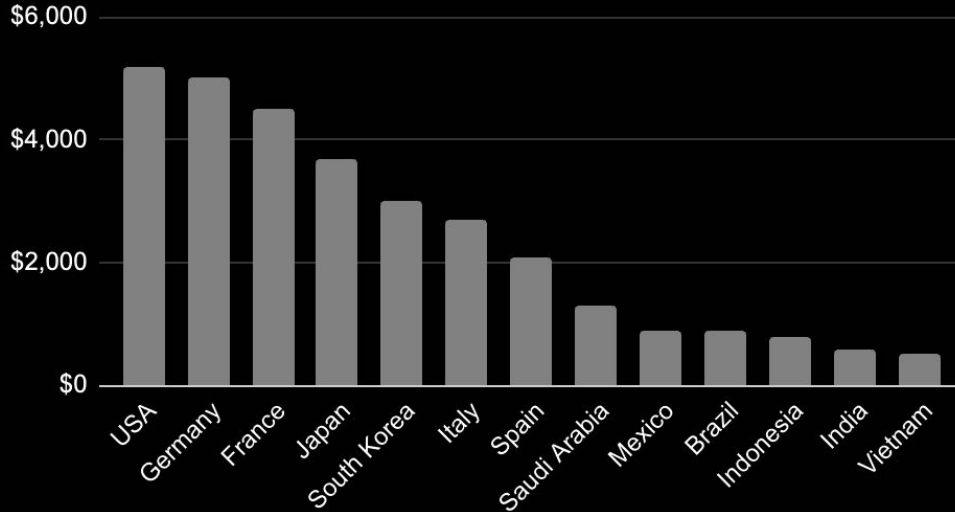

So what's your new game plan?

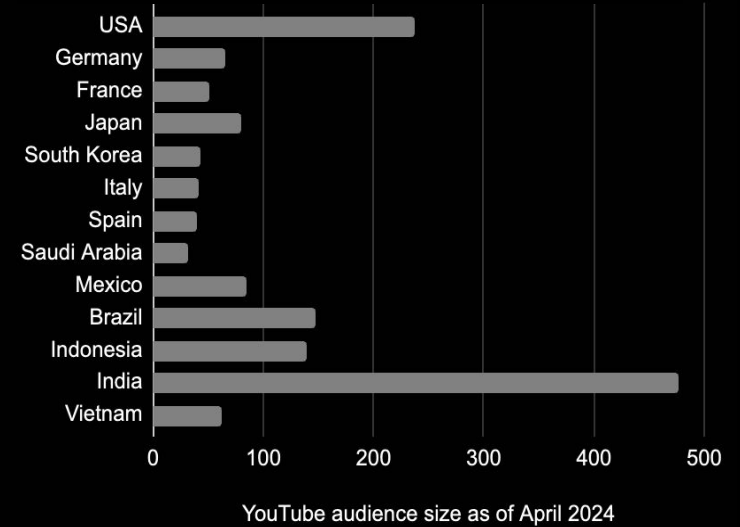

YouTube - Revenue Potential

Income from 1M Views

YouTube audience size as of April 2024 in Millions

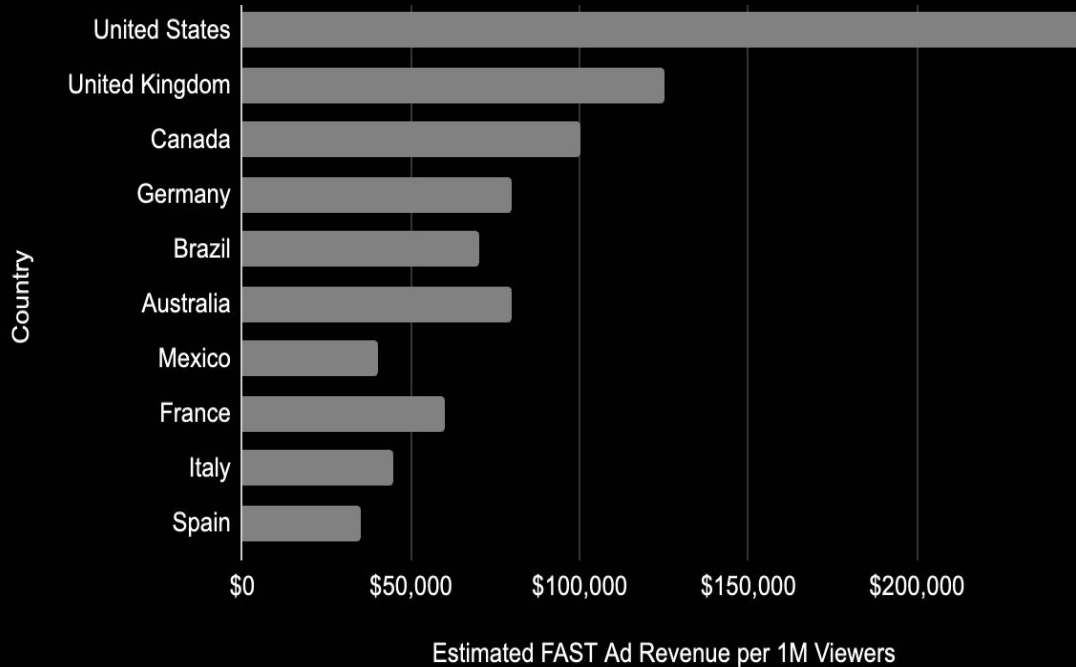

And don't forget about **Facebook, Instagram & other social media** platforms

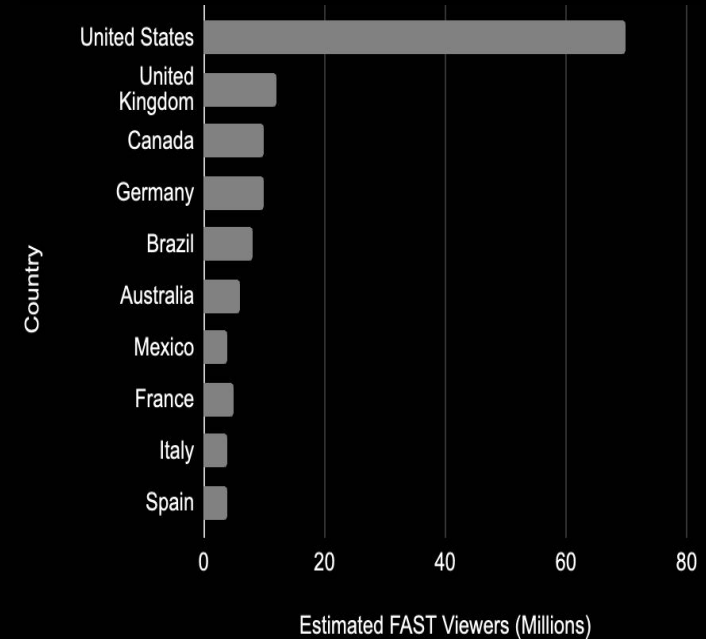

FAST - Revenue Potential

Estimated FAST Ad Revenue per 1M Viewers vs. Country

Estimated FAST Viewers (Millions)

How it Works?

Balancing Human Creativity with AI Dubbing

Hybrid

Traditional Dubbing on AI Steroids.
with **Speech to Speech**

GenAI

Human adapted and directed, generated from
human voices
with **emotive Text to Speech (eTTS™)**

Our Added Value

Deepdub enables you to unlock new revenues, reach more audiences while retaining the original quality.
