

Viva Connections Implementation Service Empowering the hybrid workforce

Why Viva Connections Modernize your employee experience

One place to connect with news, conversations and resources from across the organization

Brand the experience

with name, icon, colors and logos reflecting your organization's identity

Personalized experience

that delivers relevant content, information and resources, powered by Ai and Microsoft Graph

Create custom components

that enrich the experience with powerful frameworks

Leverage your investments

in SharePoint, Yammer, Teams, Stream, and Microsoft 365 security, compliance and identity

Integrate your investments

in partner solutions from leaders including Workday and ServiceNow

Viva Connections provides employees with seamless access to news, corporate resources, and essential tools directly from Microsoft Teams, streamlining information distribution and enhancing operational efficiency.

Engagement for Frontline Workers

Designed to include employees who don't regularly use computers, such as those on assembly lines, ensuring equal access to vital company information across all workforce segments.

Customization and Branding

Enables the creation of a personalized experience, allowing integration of company branding (logos, colors, and names) to reinforce organizational identity and culture.

Support for Digital Tool Adoption

Seamlessly integrates with Microsoft 365 platforms (SharePoint, Yammer, Stream), accelerating the adoption of digital tools and boosting overall productivity.

Improved Internal Communication

Facilitates dialogue between teams and leadership, fostering cohesion and a sense of belonging. Customized dashboards and targeted news feeds ensure effective communication with specific employee groups.
