What we offer

Our Move to Microsoft Endpoint Manager(MEM) offer aims to assist organizations in their journey to Microsoft 365. Based on our proven holistic approach, we can assist customers in activating workloads like MEM (Intune). We have the experts and the partnerships with migration tool vendors, so we are ready to advise you with the correct tooling to guide you to provision, manage, protect and to govern your endpoints. Our experts can also align your MEM deployment with your Zero-trust strategy.

Pricing depends on complexity and duration of the project.
