NAV/Business Central upgrade to SaaS

Our mission

DignetSoftware offers a set of services for migrating NAV/Business Central solutions from On-Prem to SaaS. Thanks to the experience gained in the process of upgrading existing NAV and Business Central installations to SaaS, we have created a process that enables users to migrate to the latest version of Business Central in the Cloud easily, quickly and with reasonable cost.

Duration: 6 to 8 weeks depending on the complexity of your Business processes.

Eligibility criteria: to qualify for this upgrade service, you must currently use an On-Premises version of NAV or Business Central.
