⌄ The Problem

TIME-CONSUMING AND INEFFICIENT

Traditional Procurement Process

UP to **2,200+** hours per RFP wasted

Negotiation & Finalization Up to **800** hours

Scoring and Shortlisting Up to **720** hours

Bidder Questions Management Up to **600** hours

RFP Content Generation Up to **450** hours

⌃ The Solution

DXwand's ORXTRA automates the procurement process using advanced AI, saving up to **80%** of time.

ORXTRA

RFP Generator
Speeds up RFP creation up to **90%**

Automated Bidder Question Management
Reduces response times up to **80%**

Automated AI Scoring
Cuts evaluation time up to **85%**

System Integration
Syncs seamlessly with **procurement systems** like **ARIBA** and **COUPA**.

What Makes ORXTRA UNIQUE

Tailored Platform: Scalable and optimized for procurement.

No-Code Customization: Flexible workflows with digital agents.

Advanced AI Engine: Handles structured & unstructured data effortlessly.

Client Benefits

Faster Time-to-Contract: Accelerate deal closures for competitive advantage.

Improved Accuracy: Minimized errors with AI precision.

Time Savings: Eliminate manual bottlenecks and focus on strategy.

Seamless ERP Integration: Ensures real-time updates with minimal disruption.

" With ORXTRA, procurement becomes smarter, faster, and more efficient."
