The image features a dark blue background with a faint, stylized world map. The map uses a lighter blue color for landmasses and a slightly darker blue for oceans. Overlaid on this map is the text 'E-ZIS' in a large, bold, sans-serif font. The letters are a light beige or tan color. The 'E' is composed of three horizontal bars. The 'Z' and 'I' are solid, while the 'S' is also solid. The text is centered horizontally across the image.

E-ZIS
