ECF DATA Capability Statement

CORE SOLUTIONS AND BENEFITS

01
COMPREHENSIVE VIVA INTEGRATION
We help clients implement and configure the full suite of Viva modules, from Viva Insights to Viva Learning, enabling a fully integrated experience within Microsoft Teams.

02
PERSONALIZED EMPLOYEE SOLUTIONS
Tailored to each client's specific needs, we address unique business challenges and employee experience goals with personalized modules.

03
CHANGE MANAGEMENT SUPPORT
Our approach is underpinned by solid change management, ensuring seamless adoption and sustained behavioral change.

04
PEOPLE ANALYTICS AND INSIGHTS
We leverage analytics to deliver actionable insights, improving productivity and employee well-being.

Get in Touch: Contact our team of Microsoft Adoption and Change specialists today to learn how we can help you enhance your employee experience with Microsoft Viva.

WHY ECF DATA?

Leveraging our deep understanding of each client's technology infrastructure and employee experience requirements, ECF Data is exceptionally well-equipped to spearhead the seamless integration of Microsoft Viva. Our expansive global consulting and technology prowess guarantees the ideal setup and sustained prosperity.

VIVA CONNECTIONS
Foster meaningful connections by enabling employees to access relevant communications, communities, and tools in one place.

VIVA TOPICS
We design tailored solutions to maximize efficiency, productivity, and security.

VIVA LEARNING
ECF Data has a proven track record of delivering impactful communication solutions to diverse clients.
