EcoVadis: Simple, Global, Reliable Ratings

EcoVadis is the most trusted provider of business sustainability ratings, used by over 75,000 companies worldwide. Backed by powerful technology and a global team of experts, EcoVadis' easy-to-use scorecards provide actionable insights into environmental, social and ethical risks.

Buyers

- Identify risks, drive improvements
- Scale faster, control costs
- Discover innovations
- Reward high performers

Suppliers

- Get a globally recognized rating
- Avoid redundant surveys
- Benchmark performance
- Promote strong results

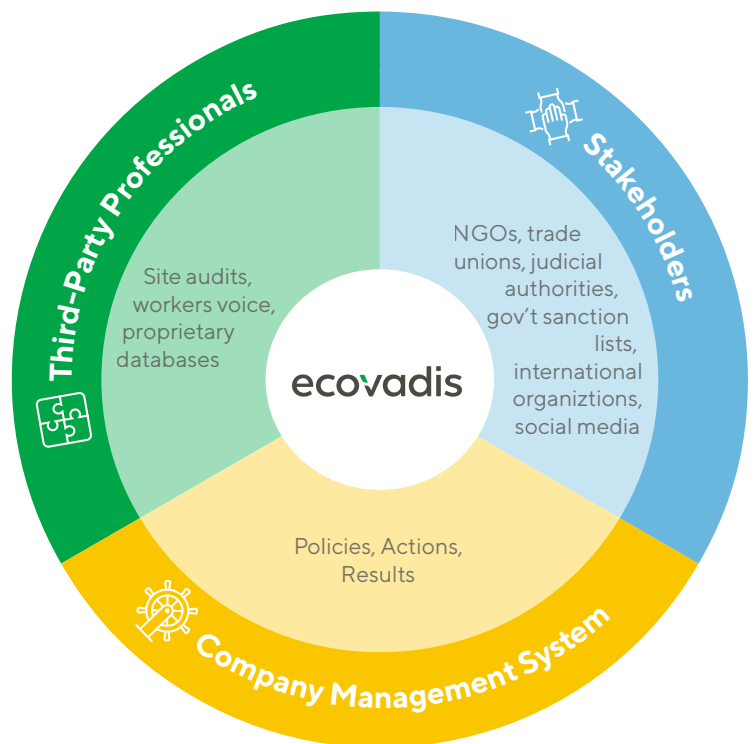

About the EcoVadis Assessment Model

EcoVadis rates sustainability performance by assessing a company's policies, actions and results, as well as inputs from third-party professionals and external stakeholders. Our methodology covers seven management indicators, across 21 sustainability criteria, in four themes:

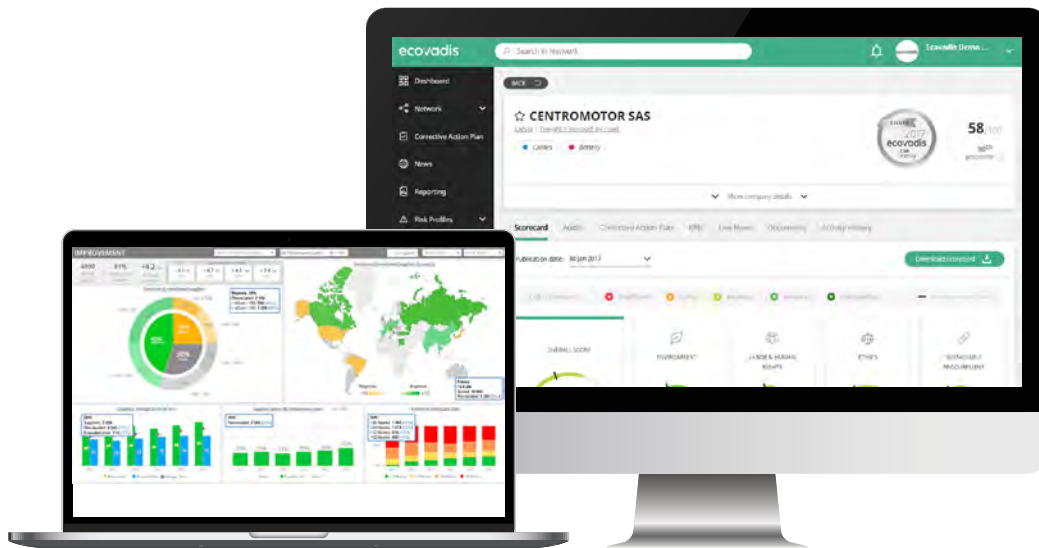

- Environment
- Labor & Human Rights
- Ethics
- Sustainable Procurement

Companies being assessed receive an online questionnaire customized to their industry, country of operations and size.
