deNote Landing page

The screenshot shows the deNote landing page in a web browser. The browser's address bar displays the URL <https://denote.edifixio.com/boards.aspx?orgid=10>. The page features a sidebar with navigation icons and a main content area. The 'Recently Viewed' section displays four project cards, each with a grid icon and a 'Boards' dropdown menu. The projects are: 'Demo MS Microsoft' (1 Board), 'Demo Edifixio' (10 Boards), 'Poc Edifixio' (20 Boards), and 'Default Template Edifixio' (2 Boards). Below this, the 'ESIA' section is visible, with a sub-section 'Schneider' containing five project cards: 'A-Team Schneider' (3 Boards), 'BTL Schneider' (2 Boards), 'Many Boards Project Schneider' (17 Boards), 'Test Sans Board Schneider' (0 Boards), and 'Newly 15,20113018146 Schneider' (0 Boards). The bottom section, 'Edifixio', contains four project cards: 'deNote Edifixio', 'Demo Edifixio', 'O-Team Edifixio', and 'DL Edifixio'. Each card has a 'Boards' dropdown menu.

Real Project
Active Board.

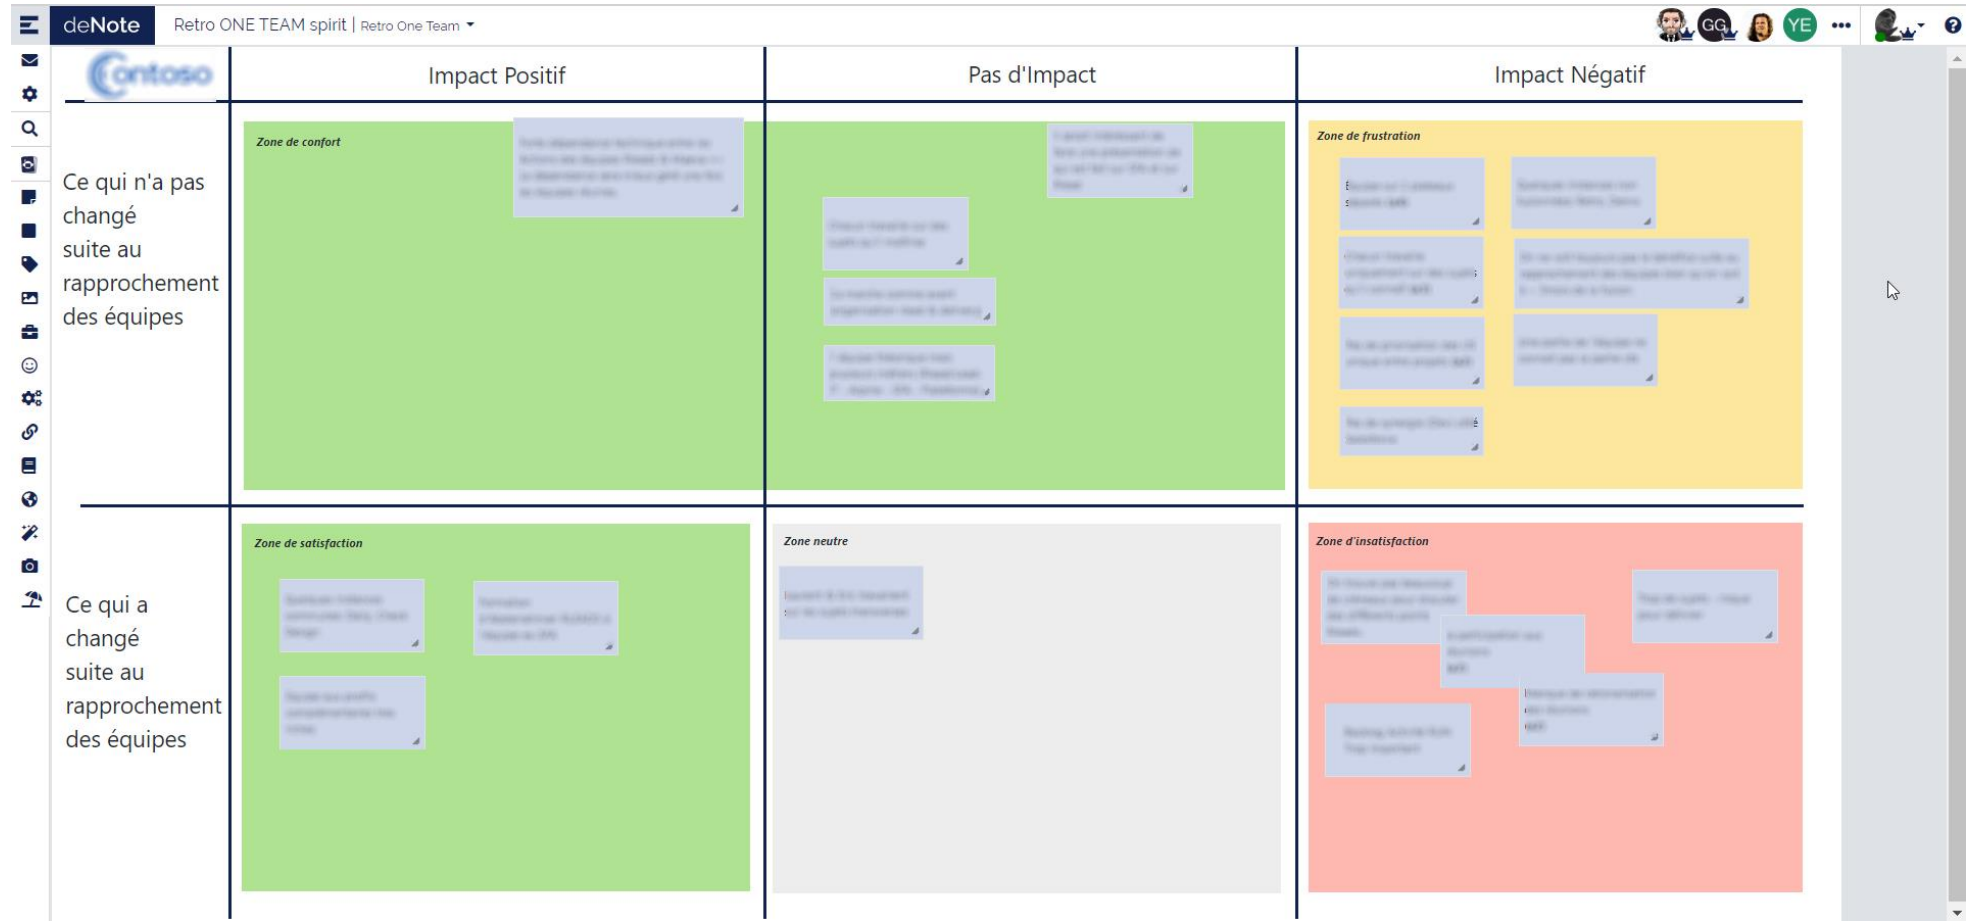

Personalised
Kanban board

The screenshot displays the deNote Board interface, a Kanban-style project management tool. The board is organized into several columns: MOOD, BACKLOG, SELECTED, ON GOING, DONE, TEST, and LIVE. Each column contains task cards with titles, dates, and status indicators. The interface includes a top navigation bar with the deNote logo and user avatars, and a left sidebar with various icons for navigation and settings. The task cards are color-coded and contain detailed information about the tasks, including titles, dates, and status indicators.

deNote Board example

deNote used as
feedback collector for
teams in multilocation

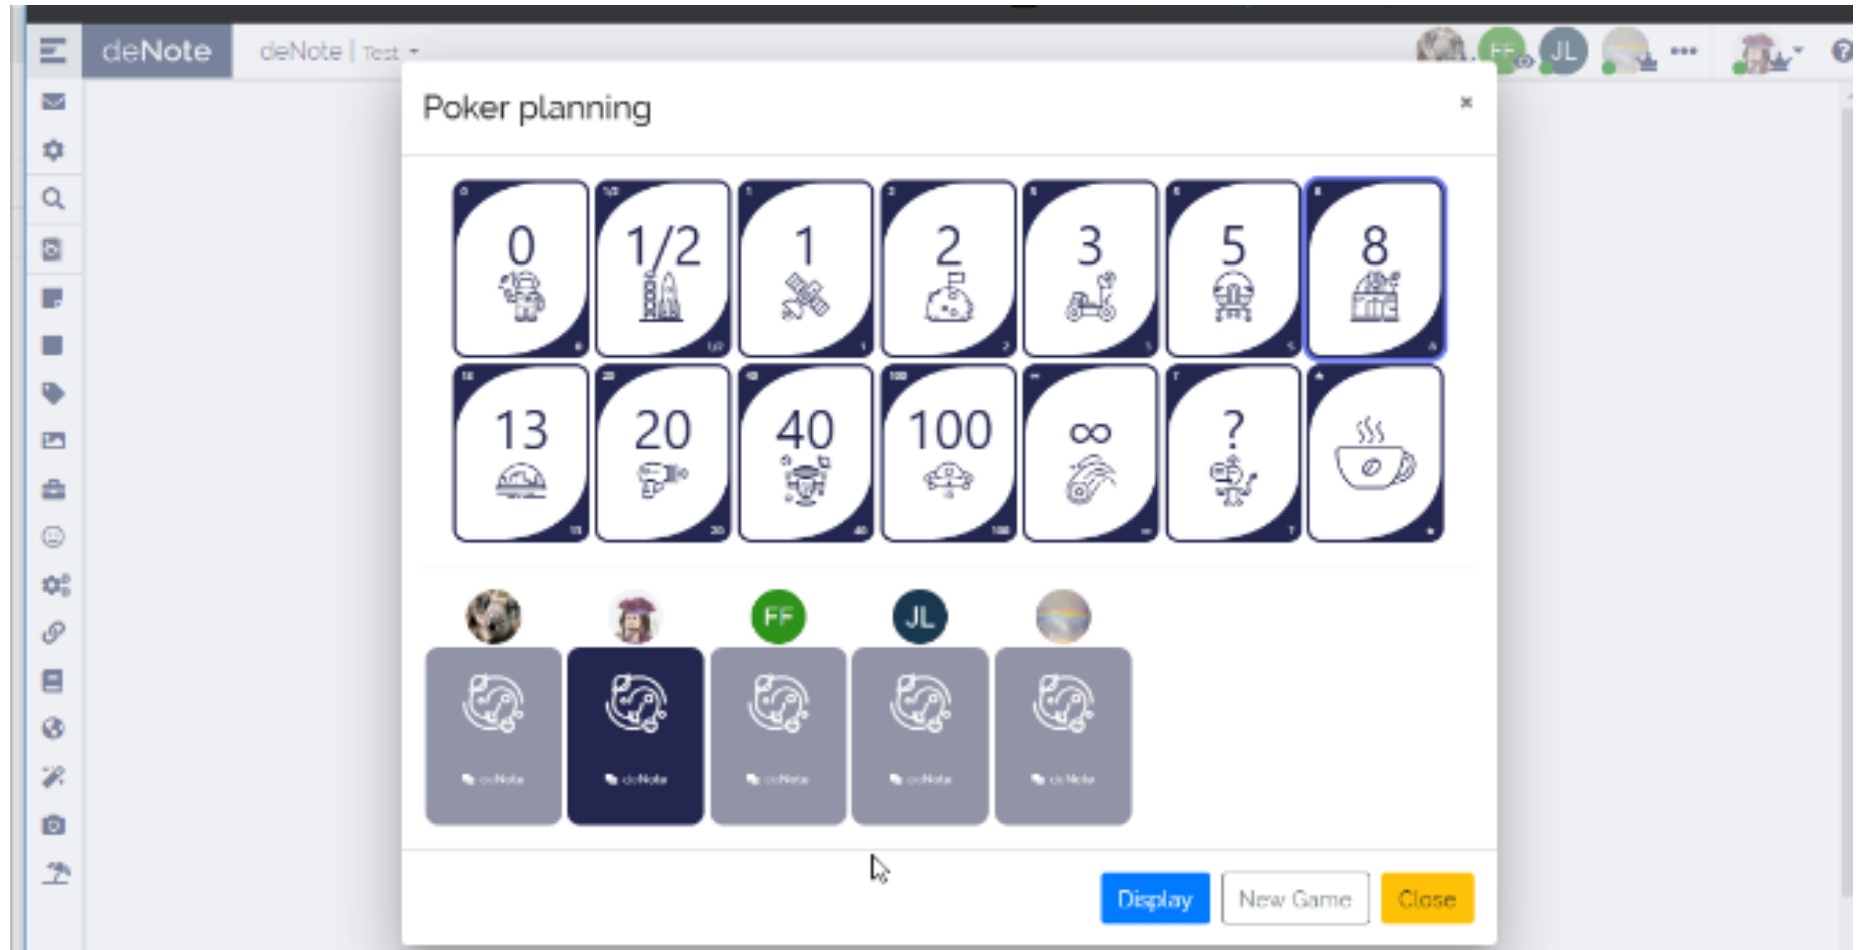

The screenshot displays the deNote Board interface for a team named 'Retro ONE TEAM spirit'. The board is organized into a 2x3 grid of zones, each representing a different type of feedback. The top row is categorized by 'Impact Positif' (Positive Impact), 'Pas d'Impact' (No Impact), and 'Impact Négatif' (Negative Impact). The bottom row is categorized by 'Zone de confort' (Comfort Zone), 'Zone neutre' (Neutral Zone), and 'Zone d'insatisfaction' (Dissatisfaction Zone). Each zone contains several sticky notes with feedback text. The interface includes a sidebar with various icons for navigation and a top bar with user avatars and a search bar.

	Impact Positif	Pas d'Impact	Impact Négatif
Ce qui n'a pas changé suite au rapprochement des équipes	Zone de confort This zone contains sticky notes with feedback that is positive but does not represent a change in the team's relationship.	Pas d'Impact This zone contains sticky notes with feedback that has no impact on the team's relationship.	Zone de frustration This zone contains sticky notes with feedback that is negative and represents a source of frustration.
Ce qui a changé suite au rapprochement des équipes	Zone de satisfaction This zone contains sticky notes with feedback that is positive and represents a source of satisfaction.	Zone neutre This zone contains sticky notes with feedback that is neutral and does not represent a change in the team's relationship.	Zone d'insatisfaction This zone contains sticky notes with feedback that is negative and represents a source of dissatisfaction.
