STUDENT VISIBILITY

# Empowering Every Student to Thrive

⚡ 3x Faster Early Risk Spotting    🛡️ FERPA Certified Security

- ✓ **Unified Student 360:** Unifies fragmented data from SIS, LMS, assessment, and behavior systems into one complete view.
- ✓ **Proactive Early Warnings:** Identifies subtle changes in attendance, grades, and well-being before challenges escalate.
- ✓ **MTSS Support Excellence:** Streamlines multi-tiered support with real-time intervention tracking and outcome measurement.

# Core Platform Capabilities

## Comprehensive Program Insights

Monitor academic, behavioral, and SEL initiatives in real time. Track program participation and evaluate outcome growth across school sites.

## Performance & Accountability

Track district KPIs over time, benchmark progress against strategic goals, and maintain rigorous accountability with flexible reporting.

## Interactive Cohort Analytics

Explore student populations dynamically with powerful multi-filter subgroup analysis and instant real-time visual charts.

## Flexible Student Grouping

Organize custom student cohorts by shared needs or program criteria to personalize learning plans and coordinate targeted care.

# Role-Based Dashboard Intelligence

## Superintendent

### District-Wide Strategy

- District performance trends
- Strategic goal tracking
- Resource & budget alignment
- Board-ready summaries

## Principal

### School Site Alignment

- Campus attendance & behavior
- Grade & cohort benchmarks
- MTSS staff alignment
- Program impact evaluation

## Counselor

### Student Well-Being

- Individual SEL health trends
- Early warning at-risk flags
- Intervention logs & notes
- Family engagement history

## Teacher

### Classroom Action

- Classroom risk indicators
- Early academic drop alerts
- Targeted daily interventions
- Student growth tracking

# Driving Measurable Outcomes

## Lead with Clarity

Provide leadership and school teams with trusted, connected analytics to act with conviction.

## Streamline Daily Work

Eliminate manual spreadsheet tracking so educators dedicate more time directly to students.

## Focus Impactful Resources

Direct funding, staff energy, and intervention programs toward high-impact district priorities.
