

Microsoft 365 & Microsoft Azure

Azure Infrastructure: Migrating from VMware

Work smarter, adapt faster, and perform better.

Whether you're migrating from VMware or building a hybrid environment, our team ensures your Azure platform is optimized for performance and reliability. What sets Eide Bailly apart is our client-centric approach, our consultants work closely with your stakeholders to minimize disruption and maximize value throughout the process.

Migrate now to stay ahead, not just keep up.

Azure for the now and the next.

Our Azure experts will ensure your transition from VMware to Azure infrastructure is seamless and stress-free. We design a tailored migration and infrastructure to support your unique needs. With Azure, you will be able to: Scale resources to meet demands, secure data with advanced protection tools, save costs with flexible pricing models, and access global data centers for reliability.

Who We Are

Eide Bailly helps organizations work smarter — financially, operationally, and strategically. As a Top 20 accounting firm, we bring practical expertise in tax, advisory, and technology services to improve performance, reduce risk, and support long-term growth. With a team of 3,500+ professionals across the U.S., we're dedicated to solving our clients' toughest challenges and empowering them to grow with confidence.

- You are looking for a highly scalable, reliable, and high performing solution
- You want to reduce operational complexity in maintaining on-prem servers
- You want predictable server costs
