Save Time and Resources

Rebuilding or converting your InfoPath forms shouldn't take your valuable resources' time. Let Elantis migrate your forms to Power Apps so your internal team can stay focused on business priorities.

Modernize the User Experience

Accomplish more with mobile-ready, responsive Power Apps forms, so you can easily access your forms on any device. You can also add automated workflows to ensure seamless distribution.

Make Forms and Workflows Easier to Manage

Ensure your business critical forms are supported on a modern platform for maintained security and reliability.
