

Enhance your Employee Experience with Microsoft Viva in Microsoft Teams

5'400.- CHF

Price is exclusive of VAT

What makes it unique ?

- Integrated system of employee experiences
- People at the center with skills, resources in the flow of work
- Powerful insights derived from Microsoft Graph
- Privacy & security that you can trust
- Platform and ecosystem with customization and extensibility

What's included?

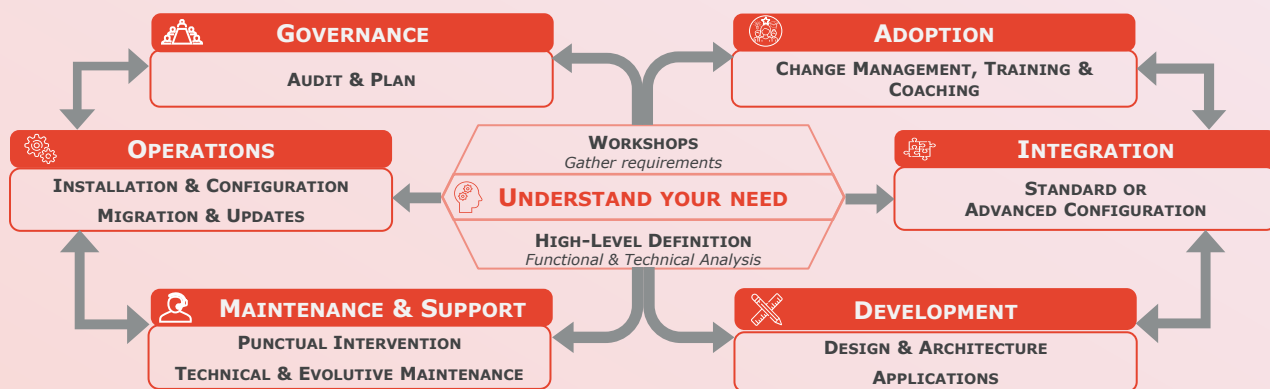

- Two **workshops** to demonstrate the Microsoft Viva⁽¹⁾ capabilities to you and help you envision a linear strategy to adopt it
- Proof of Value by Provisioning **Viva Connections** in your Microsoft Teams
- An **assessment** on the tools you currently use, that would be replaced by Microsoft Viva⁽²⁾
- A **report** detailing the process, the cost ⁽³⁾, the recommendations and a high-level roadmap for its implementation & adoption

- (1) Based on our **experience** in Viva implementation strategy, we are going **present** the tool, and propose you an **approach** to easily adopt it on the enterprise usage scale. Restricted to a maximum of five (5) persons with a good overview of the key business processes.
- (2) Migration to Microsoft Viva can be implemented, should you have acquired the following tools: **Viva Learning**, **Viva Connections** and **Viva Insights**.
- (3) The licensing costs of some modules being already integrated into Microsoft 365 business plans, we often take advantage of considerable savings on expenses for other tools covering the same needs (e-learning platform, Enterprise portal, etc.).

What do you get?

- ✓ Inspiration by discovering the Microsoft Viva suite's capabilities
- ✓ Perspective on its implementation in your context
- ✓ Support in optimizing licensing strategy
