Elisa Cloud Value Partner Service

Towards
more productive
ways of working
by getting the most out of
your Microsoft 365 licenses

The Rapid Change in Teamwork

50%

more teamwork

2x

More teams than 5
years ago

5x

Better productivity in
organizations which support
team work

Inner and outer team members

Team members outside the firewall
need unrestricted access

Geographically scattered

We need new ways to stay in touch
regardless of location and time zone

Diverse work force

Different expectations,
procedures, and need for tools
