elitmind academy | Power BI

Become POWER BI leader in your organization!

Enter the master level!
Build your skills with **25 hours of unique course combined with meetings** prepared by consultants who gained their experience in more than 100+ projects in DATA & AI

Course co-creator and originator:
MVP - Paweł Potasiński

Paweł, as CTO at Elitmind, focuses on defining the company's technological directions and transforming its clients into successful data-based organizations. Former employee of Microsoft (Data Insights Product Manager for Poland). In 2007, Paweł founded the Polish SQL Server User Group (PLSSUG), now known as Data Community Poland. He was a speaker at many conferences in Poland and in the world (e.g. SQL Day, SQLSaturday, European PASS Conference). Microsoft Most Valuable Professional (MVP) seven times awarded in his career. Co-creator of the Power BI series in practice.
