

Emumba Azure Data Pipelines - 10 days Implementation Offer Details

The following conditions apply to the Azure Data Pipelines - 10 days Implementation on the Microsoft Azure Marketplace:

1. This offer is valid for only one dataset.
2. Data enrichment is not included in this offer however, we will love to discuss how we can help you enrich your data.
3. This offer supports a subset of the data sources listed under the [Azure Data Factory Connectors](#).
4. This offer only supports the following data sinks: Azure Blob Storage; Azure Cosmos DB (SQL API); Azure Data Lake Storage Gen 1; Azure Data Lake Storage Gen 2; Azure Database for MySQL; Azure Database for PostgreSQL; Azure Synapse Analytics; Azure SQL Database.
5. This offer is valid for a total of 12 transformations (a maximum of 3 advance transformations or 4 intermediate transformations.)

We will be happy to assist you with additional data sources, data sinks, data enrichment and complex transformations however, that will impact the project cost and timeline.
