

# TURN YOUR DESIGNS INTO SUCCESSFUL OUTCOMES

## with eGroup Enabling Technologies Results-Yielding Implementation

If you already have design plans or recently completed a design sprint with us, it's time to bring those ideas to life! Within the Results-Yielding Implementation, you will receive a designed, developed, tested, and implemented technical solution, including Organizational Change Management and solution support.

Our Implementations range between a 1 to 4-week engagement to turn designs into reality! We'll instruct your team on how to further expand the reach of technology and transform business practices for your organization. The length of implementation depends on the complexity of the solution being developed.
